HOLYROOD COMMUNICATIONS LTD COOKIE NOTICE

About Cookies

Cookies are small text files that are placed on your computer by websites or apps that you visit. They are often used to make sites that you visit work more efficiently.

A cookie may contain an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by the browser when you visit a website or app. Sometimes this identifier may be sent back to the server each time a new page is requested. This information helps the website owners understand visitor behaviour.

Cookies may be either "persistent" cookies or "session" cookies: a persistent cookie will be stored by a web browser and will remain valid until its set expiry date, unless deleted by the user before the expiry date. A session cookie will expire at the end of the user session, when the web browser is closed.

To find out more about cookies, including how to see what cookies have been set, visit www.aboutcookies.org or www.allaboutcookies.org.

How to change cookie settings

You have the ability control, accept and decline cookies, if you choose to decline cookies; you may not be able to fully experience the interactive features of our site and any preferences will be lost if you delete cookies. If you do not like the idea of non-essential third-party cookies, you can change your browser's settings to delete such cookies that have already been set and/or to block these cookies from being placed in future. To learn more about how to do this, visit the help pages of your browser. If you wish to opt-out of Non-essential Website Cookies (Analytics cookies and Third-party advertising or targeting cookies) placed by InMobi, you can change your browser's settings to delete such cookies that have already been set and update your future preferences via cookie banner displayed on the website. Please however note, that, if you delete these cookies or do not accept them, you might not be able to use all of the features We offer, you may not be able to store your preferences, and some of our pages might not display properly.

Alternatively, most web browsers allow some control of most cookies through the browser settings.
